## .ZARA Domain Name Terms & Conditions

This .ZARA TLD Domain Name Terms and Conditions (.ZARA TLD T&Cs) sets out the terms and conditions governing the registration and use of domain names in the .ZARA Top Level Domain.

The .ZARA TLD T&Cs may be updated periodically, without prior notice. The current version can be found at [nic.zara](https://nic.zara) and continued registration or use of a .ZARA domain name after any update constitutes acceptance of the current version. The only remedy in case of any disagreement with the current terms of the .ZARA TLD T&Cs is to cancel your domain name registration.

The .ZARA TLD T&Cs are to be read in conjunction with the .ZARA TLD Registration Policy. No other agreements or representations supplement or alter the terms of the .ZARA TLD T&Cs, except as expressly incorporated herein.

Any undefined capitalised term in the .ZARA TLD T&Cs shall have the meaning set out in the ICANN Registry Agreement applicable to the .ZARA Top Level Domain, available at <https://www.icann.org/resources/agreement/zara-2014-11-07-en>.

### General/Definitions

**Abuse Point of Contact** means the .ZARA Top Level Domain's abuse response team, which can be contacted at [abuse\\_zara@valideus.com](mailto:abuse_zara@valideus.com).

**ICANN** means the Internet Corporation for Assigned Names and Numbers.

**Identical Match** means that the domain name consists of the complete and identical textual elements of a Trademark Clearinghouse-validated trade mark. In this regard, marks which would be identical to Trademark Clearinghouse-validated trademarks but for the following amendments qualify as Identical Matches: (a) spaces contained within a mark that are either replaced by hyphens or omitted; (b) only certain special characters contained within a trade mark are spelled out with appropriate words describing it (“@” and “&”); (c) punctuation or special characters contained within a mark that are unable to be used in a second-level domain name may either be (i) omitted or (ii) replaced by a hyphen and still be considered Identical matches; and (d) no plural or “marks contained” (i.e., “brandx” in “brandxproducts”).

**Inditex (or “we” or “us”)** means Industria de Diseño Textil, S.A. (INDITEX, S.A.).

**Registrar** means an ICANN-accredited registrar authorized to provide domain name registration services in the .ZARA TLD.

**Registry Services Provider** means the entity providing back-end technical and operational services for the .ZARA Registry.

**Top Level Domain** means the final characters after the dot in a domain name; in the case of “[nic.zara](https://nic.zara)”, this is “zara”.

**Trademark Claims** means the process whereby notice is given to a prospective domain name registrant concerning the scope of the rights of a trade mark owner whose mark is an Identical Match to the requested domain name, and whereby the prospective registrant warrants that: (i) they have received notification that the mark(s) is included in the Trademark Clearinghouse; (ii) they have received and understood the notice; and (iii) to the best of their knowledge, the registration

and use of the requested domain name will not infringe the rights that are the subject of the notice. If the domain name is registered subsequent to the notice being issued and the registrant attesting to its non-infringement, the Registrar or the Trademark Clearinghouse will notify the mark holder(s) of the registration.

**Trademark Clearinghouse** means the central storage repository of validated (authenticated) trade mark rights-related data and information for dissemination with respect to trade mark rights protection mechanisms and other registry-related services mandated by ICANN and currently run by Deloitte.

**.ZARA** means the .ZARA Top Level Domain.

**.ZARA TLD Registration Policy** means the .ZARA TLD Domain Name Registration Policy which sets out the eligibility criteria for domain names in the .ZARA Top Level Domain.

**.ZARA TLD T&Cs** the .ZARA TLD Domain Name Terms and Conditions which sets out the terms and conditions governing the registration and use of domain names in the .ZARA Top Level Domain.

**You or your** means an individual or entity seeking to initiate registration of a .ZARA domain name; or if such registration is allowed, the domain name registrant.

*Terms used in the singular or plural are merely for convenience, and shall apply mutatis mutandis, as the context may require.*

*All communications and information under this .ZARA TLD T&Cs shall be in English.*

You agree that your use any .ZARA domain name and our domain name registration services is at your sole risk and (except in the case of death or personal injury caused by our negligence), to the maximum extent permitted by law, Inditex shall only be liable to you in respect of the same up to the amount paid (if anything) for the initial registration of the .ZARA domain names. Inditex and its affiliates shall not be liable for any indirect, consequential or special loss or damage (howsoever arising) in connection with your use any .ZARA domain name and our domain name registration services.

You agree that Inditex reserves the right, in its sole discretion, to suspend, lock, cancel, revoke, or otherwise alter any .ZARA domain name registration including by making changes to DNS settings or taking any other action (including any actions made possible in the future by changes in DNS-related technical protocols or otherwise) deemed necessary by Inditex in its sole discretion: (i) to protect the interests of Inditex; (ii) to comply with any laws, court or law enforcement requests, or any dispute resolution process including ICANN rights protection mechanisms; (iii) to avoid any civil or criminal liability against Inditex or its Affiliates, subsidiaries, officers, directors, employees, agents, consultants, or contractors; (iv) pursuant to the .ZARA TLD Registration Policy or .ZARA TLD T&Cs or, (v) to remedy any error in connection with a .ZARA domain name registration; or (vi) as otherwise deemed necessary by Inditex in its sole discretion.

## Acceptable Use

Inditex reserves the right to periodically review .ZARA domain name registrations (and uses) for compliance with the .ZARA TLD Registration Policy and .ZARA TLD T&Cs. For example, but without limitation, by registering a .ZARA domain name, or by asking us to maintain or renew a .ZARA domain name registration:

- you represent and warrant that you will not distribute malware or operate botnets, or engage in phishing, piracy, trademark or copyright infringement, fraudulent or deceptive practices, counterfeiting or any other activity contrary to applicable law
- you acknowledge and agree that it is your responsibility to determine whether your domain name registration does or may infringe or violate the rights of a third party or applicable law
- you warrant and represent that your registration (or use) of a .ZARA domain name does not and will not:
  - give rise to any morally objectionable or otherwise socially questionable conduct
  - violate any applicable laws or regulations
  - in any way harm the reputation or goals and operating principles of Inditex

- you warrant and represent that where your .ZARA registration is a letter/letter two-character ASCII label then you will take steps to ensure against misrepresenting or falsely implying that you or your business is affiliated with the corresponding government or country-code manager if such affiliation, sponsorship or endorsement does not exist.

You further agree that Inditex may, in its sole discretion, lock, suspend, cancel, revoke, or otherwise take (or require you to take) remedial action to cure any breach of the .ZARA TLD Registration or .ZARA TLD T&Cs Policy if your registration (or use) of a .ZARA domain name violates the .ZARA TLD Registration Policy, .ZARA TLD T&Cs or applicable law, or otherwise violates standards of conduct deemed acceptable to Inditex in its sole discretion.

By registering a .ZARA domain name, or by asking us to maintain or renew a .ZARA domain name registration, you agree that Inditex may, in its sole discretion and without limitation, require your use of certain technical and operations protocols.

Any failure to comply with these acceptable use standards may be considered a breach of the .ZARA TLD Registration Policy and .ZARA TLD T&Cs and may, in Inditex's sole discretion, be grounds for the suspension, cancellation, or revocation of your .ZARA domain name registration.

### Rapid Takedown Process

In furtherance of Inditex's efforts aimed at abuse prevention and mitigation, or where it appears that a .ZARA domain name is (or may be) being used to threaten the stability or security of the .ZARA Top Level Domain or is a part of a real-time investigation by law enforcement, Inditex may, either on its own initiative or at the request of a third party, initiate a rapid takedown process.

In the event a rapid takedown process is initiated, after assessment by Inditex, the Registrar or partner may be contacted for its cooperation in taking the subject domain name down (by locking or suspending the domain name, or placing it on hold or deleting it), unless a compelling argument is provided by the Registrar to Inditex on which basis the subject domain name may remain in the zone. In either event, if the Registrar has not reacted within 12 hours of Inditex's request, Inditex may place the subject domain name on "ServerHold" or any other status it deems necessary or appropriate. If Inditex determines that the subject domain name is being used to threaten the stability or security of the .ZARA Top Level Domain or is a part of a real-time investigation by law enforcement, Inditex reserves the right to immediately remove the subject domain name from the zone, in which case Inditex will inform the Registrar of such action being taken.

### Abuse Prevention and Mitigation

Inditex will not tolerate abusive or malicious conduct (including, but not limited to: illegal or fraudulent actions, spam, phishing, pharming, distribution of malware, malicious fast flux hosting, botnets, distribution of illegal child sexual images, online sale or distribution of illegal pharmaceuticals) in the .ZARA Top Level Domain. In addition to any monitoring Inditex may undertake to prevent abusive or malicious conduct, Inditex has established an abuse point of contact for handling complaints or concerns related to any such conduct, which shall also include investigation of and a response to any reports from law enforcement or governmental or quasi-governmental agencies of illegal conduct in connection with the use of the .ZARA Top Level Domain.

In the event of any suspected abusive or malicious conduct or violation of the .ZARA TLD Registration Policy, .ZARA TLD T&Cs or any applicable laws, Inditex may suspend or lock your domain name

registration pending resolution of any such suspected violation. Inditex may also initiate a rapid takedown process to handle such complaints or suspected violations.

While respecting privacy and confidentiality, Inditex may periodically conduct technical analyses to assess whether domain names in the .ZARA Top Level Domain are being used to perpetrate security threats, such as pharming, phishing, malware, or botnets. If Inditex identifies security risks that pose an actual risk of harm, it will notify the Registrar or partner and, if the Registrar does not take immediate action, Inditex may suspend the domain name until the matter is resolved.

Inditex or its delegate may remove orphan glue records (see [www.icann.org/en/committees/security/sac048.pdf](http://www.icann.org/en/committees/security/sac048.pdf)) when provided with written evidence that such records are present in connection with malicious conduct.

## Abuse Point of Contact

Inquiries, whether from law enforcement or the general public, related to alleged abusive or malicious conduct in the .ZARA Top Level Domain should be directed to the .ZARA Abuse Point of Contact. Complaints may also concern Whois information accuracy, or concerns that a domain name registration is being used to facilitate or promote malware, operation of botnets, phishing, piracy, trademark or copyright infringement, fraudulent or deceptive practices, counterfeiting or otherwise to engage in activity contrary to applicable law.

The .ZARA Abuse Point of Contact can be reached by email at: [abuse\\_zara@valideus.com](mailto:abuse_zara@valideus.com).

## Data & Privacy

By applying to register a .ZARA domain name, or by asking us to maintain or renew a domain name registration, you agree to Inditex and its Affiliates using any information you provide as part of that application, and any other information it holds about you including your IP address, in connection with registering or renewing the domain name and associated administrative activities and providing that information to our service providers and ICANN. Inditex and its Affiliates may also use your information in the following ways:

- To monitor the accuracy of Whois data
- To monitor and improve our services
- We may share information with credit reference and fraud prevention agencies for use in credit decisions, and for fraud detection and prevention purposes. If false or inaccurate information is provided and fraud is identified, the details will be passed to fraud prevention and law enforcement agencies
- To enable us to comply with any legal or regulatory requirements; to protect or enforce our rights or the rights of any third party; in the detection and prevention of fraud and other crimes; and for the purpose of safeguarding national security
- We may disclose your information to any successors of our business for them to use for the purposes set out in this privacy notice

You agree that Inditex's Whois data requirements require you to provide your complete, accurate, and current contact details in order to undertake a .ZARA domain name registration; you also agree that, pursuant to its contractual obligations to ICANN or for any reason determined appropriate in its sole discretion, Inditex may publish these contact details publicly or provide them to third parties.

You also agree that ICANN may conduct Whois verification and checks on a statistically significant basis to identify registrations with deliberately false, inaccurate or incomplete Whois data at least twice a year which may result in the Registrar contacting you to solicit accurate and complete Whois contact information.

## Disputes

These .ZARA TLD T&Cs are governed by Spanish law. Disputes between you and Inditex shall be dealt with by the Spanish courts.

All disputes between you and a third party concerning that third party's rights shall be handled according to the terms of the UDRP or URS (see Registration Terms & Conditions), court, or other appropriate adjudicatory system.

### (i) UDRP

By registering a .ZARA domain name, you agree to the applicability of the Uniform Domain Name Dispute Resolution Policy (UDRP); the UDRP policy and rules are located at: [www.icann.org/dndr/udrp/policy.htm](http://www.icann.org/dndr/udrp/policy.htm).

The remedies available for a successful complaint under the UDRP are cancellation or transfer of the domain name to the UDRP filing complainant. In the event of a UDRP decision concerning a .ZARA domain name, ordering transfer of a domain name to a UDRP complainant, any such transfer can only occur if the prevailing UDRP complainant meets all requirements of the .ZARA TLD Registration Policy and .ZARA TLD T&Cs. In the event a prevailing UDRP complainant does not meet the conditions of the ZARA TLD Registration Policy and .ZARA TLD T&Cs, notwithstanding any UDRP transfer order, Inditex will cancel the subject domain name registration. At Inditex's sole discretion, such cancelled domain name registration may be placed on a "reserved" list, or may be made available for registration under the terms of the ZARA TLD Registration Policy and .ZARA TLD T&Cs.

*[The UDRP is an out-of-court dispute resolution procedure for adjudicating a claim by a third party that your registration and use of a .ZARA domain name infringes their trademark rights, i.e., your domain name registration is identical or confusingly similar to a trademark in which the third-party complainant has rights, you have no rights or legitimate interests in the domain name, and your registration and use of the domain name are in bad faith; a successful UDRP proceeding would result in either the cancellation of your domain name, or the transfer of your domain name registration to the complainant.]*

### (ii) URS

By registering a .ZARA domain name, you agree to the applicability of the Uniform Rapid Suspension system (URS); the URS policy and rules are located at: <http://newgtlds.icann.org/en/applicants/urs>.

*[The URS is an out-of-court dispute resolution procedure for adjudicating a claim by a third party that your registration and use of a .ZARA domain name infringes their trademark rights, i.e., your domain name registration is identical or confusingly similar to a trademark in which the third-party complainant has rights, you have no rights or legitimate interests in the domain name, and your registration and use of the domain name are in bad faith; a successful UDRP proceeding would result in the suspension cancellation of your domain name for the duration of the registration period (with the complainant having the option of paying to extend that suspension for one year).]*

## Trademark Claims

For the first 90 days after the .ZARA Top Level Domain is open for general registration (the “Trademark Claims Period”), an attempt to register a domain name that is an Identical Match to a Clearinghouse-validated mark will trigger a Trademark Claims Notice (see Annex). Upon a registrant’s confirmation that they have received and understand Trademark Claims Notice, and that to the best of their knowledge the registration and use of the requested domain name will not infringe the trademark rights listed in the Trademark Claims Notice, a request for registration will be managed by Inditex in accordance with the .ZARA TLD Registration Policy.

If, pursuant to the .ZARA TLD Registration Policy, a request to register a .ZARA domain name which is an Identical Match to a Clearinghouse-validated mark is eligible and subsequently registered, Inditex or the Registrar will notify the relevant mark holders(s) of the registration.

For purposes of .ZARA Trademark Claims Inditex will recognise and honour all word marks that have been or are:

- (i) nationally or regionally registered;
- (ii) court-validated; or
- (iii) specifically protected by a statute or treaty in effect at the time the mark is submitted to the Clearinghouse for inclusion – for purposes of Trademark Claims no demonstration of use is required.
